Hi, [REDACTED] The person that I thought might have a readable copy was out of the office on Friday, she is looking for it today.

Thank you,

Terri

Hi Terri,

One of the documents, "JCTC- Dept of Corrections, MOU" appears to have the pages cut off so that the bottom of each page is obscured, removing some text. It seems to be laid out landscape rather than portrait style. Is it possible to get a full version where it's all readable? All the others opened without issues.
